

INTELLIGENT, ELEGANT, PROFESSIONAL TRIP PLANNING

Welcome to Marieke's Art of Living and tailor-made travel arrangements for individuals and private groups who wish to have us design their bespoke travel itineraries.

TERMS FOR INTENTION TO TRAVEL WITH ART of LIVING

These Notes are additional to but to be read in conjunction with our Terms and Conditions.

This is how we operate.

We pride ourselves on twenty years of meticulous research, outstanding networks, personal taste, reliable contacts and the excellence of ground agents and service providers in the countries we have developed expertise in.

This has resulted in a portfolio of happy and loyal clients.

Our attention to detail, constant updating on the best available and our commitment to superior customer service will save you hours and allow you to experience a "designer" trip.

We enjoy a creative and personalized working relationship with our clients and are able to give you an insider's appraisal of destination, modes of transport, quality of guides, standard and ambience of hotels. Furthermore, our detailed travel notes go beyond what most average agents who sell packages are able to provide. Our notes cover not only the basics but often include reading lists, links to appropriate web pages, personal recommendations for where to shop, sightsee, what to do and where to dine, based on our experiences.

We do not offer packages we create experiences for discerning inquisitive travellers like you.

We do not work in the arena of budget travel but we do pride ourselves on matching accommodation and services to your budget and in giving good value for money.

1. Once a potential client has made initial contact, we usually endeavour to make telephone contact or establish an email dialogue.

The first conversation establishes the parameters of interest, approximate budget, length of time and any other information that allows Art of Living to proceed to design an appropriate, customised itinerary.

2. At this point the client is not obliged to continue. However if Art of Living is asked to present a proposal for consideration then the client undertakes to Guarantee a Deposit of \$500 per person. This can be a credit card guarantee, cheque or direct bank transfer.

(These funds as well as further deposits and final payments are held in a "Trust" account that exclusively holds clients funds until such time they are expended on behalf of the clients for contracted and agreed services).

3. Art of Living returns to the client usually within no more than 5 working days with an Itinerary Outline for discussion with the client. Once client changes have been incorporated, a quote is prepared for consideration and acceptance.

NOTE: Art of Living personally vets ground operators with whom we work. These operators are chosen for their quality of client management while our clients are in their area of control. We receive a quote from our ground operators and/or selected service providers based on the itinerary that we send to them that in turn is based on discussion(s) with our clients. The quote is a bundled, comprehensive package; and this information is proprietary. As a result, **Art of Living does not break down pricing.**

4. Once the client accepts the itinerary and costs, they are entitled to make up to 2 additional changes free of charge. Subsequent changes will be charged at \$100. At this stage the client will be notified of Deposit and Final Payment requirements. The above \$500 can then be included as part of the deposit.

A detailed itinerary is then sent with any necessary travel notes to help your trip preparation.

Final payment is usually sought at least 60 days before the final date of commencement of travel but will vary with the types of travel and the circumstances of booking.

5. If Travellers do not utilize our services for their agreed itinerary or cancel their trip for any reason before the scheduled departure date, then the \$500 per person "Guarantee Deposit" immediately becomes nonrefundable. In that case, Clients irrevocably agree that the money deposited for each traveler who fails to book or to depart on the trip may be paid from the trust account to the general account of Art of Living or charged to the designated card.

If, after departure date, the trip is cancelled or interrupted, Art of Living on behalf of the client, will endeavor to recover whatever monies can be reimbursed to clients less cancellation fees, commissions, and taxes.

6. A mandatory condition of booking with Art of Living is evidence of comprehensive Travel Insurance. Please appraise yourself of all clauses to ensure you are covered for all eventualities including cancellation.

7. By mutual written agreement, in special circumstances, it may be possible to negotiate an extended departure date of up to 6 months.

8. Clients agree to be bound by the above as well as the Cancellation charges outlined in the Terms and Conditions that accompany the Booking Form. In the event that hotels exercise a more stringent cancellation condition than Art of Living (for example during High Season), then the hotel's policy takes precedence.

9. No modification or alteration of this agreement shall be binding unless it is in writing and signed by the client/s and a representative of Art of Living,

I have read and agree to with The Art of Living's Terms and Conditions
